SOFT BAMBOO TOOTHBRUSH

Ref. 72749133

Why bamboo?

5 billion plastic toothbrushes are produced yearly and most of these will end up in landfill sites. This lovely bamboo toothbrush is + Biodegradable + Natural + Eco- Friendly...

We basically love our planet and animals too much.

Just like the lawn in your backyard, bamboo has a self-replenishing growth cycle, so no need for replanting activities that result in soil erosion or damage to the environment. Bamboo also produces up to 35% more oxygen than trees, helping to offset carbon-dioxide emissions. Who knew?!
