PROFESSIONNAL FINGER BRUSH

Ref. 73044133

A unique hand-shaped design for a hair & scalp massage, on wet or dry hair.

Antistatic-Ion-Technology : Antistatic active ion technology prevents electrostatic charging of the hair when brushing with these Olivia Garden brushes. The hair is treated and protected, resulting in a healthy shine and improved styling. The cuticle layer of each hair will be closed, which effectively prevents the hair from drying out.

Anti-static bristles : Electrostatic charge of the hair is an eternal problem with hair care. As it is caused by friction, the effect occurs during the brushing. Anti-static bristles, as on these Olivia Garden brushes, prevent efficiently the charge of the hair with static electricity for straight and shiny hair.

Perfectly rounded nylon bristles : Care of hair and scalp is the most important part during the brushing, because healthy hair is indispensable for every good styling. Therefore, the nylon bristles are carefully rounded at the ends to prevent damages of the hair structure or the scalp
