ANTS TABLET ECO "WINN'S"

Ref. 81016104

Winn's Eco Ant Tablet contains no insecticides and is the only product of its kind.
It is impregnated with a substance composed entirely of vegetable oils.
Ants use pheromones to send messages to each other and leave paths. The smells given off by the tablet are unknown to the ants and block their ability to pick up their natural pheromones, and this disturbs their behaviour. As a result,the ants cannot find their way back to their nest and are forced to look somewhere else for food.
The mixture is contained in a recyclable polyethylene tablet.
Winn’s Eco Ant Tablet does not contain any toxic substances, biocides, traps, repellents or products harmful to the environment.
Contains <5% Eco-mixture of vegetable oils
Instructions for use: Remove the tablet from its packaging and place it in the path of the ants or on the nest. It should
