HANGING BIRD FEEDER

Ref. 81768102

This excellent hanging bird feeder is the smart choice for feeding small birds in your garden.
The round edged base is perfect for attracting smaller birds like tits and goldfinches that like to cling while they feed.
Larger birds like starlings and pigeons can’t get an easy foothold and will usually feed elsewhere.
With a protective seed cover that keeps the seed dry and fresh, this feeder is easy to fill and comes apart completely for cleaning. Incorporating an integral hanging hook.
