FREEZER LINER - TWIN PACK

Ref. 63077133

Simply place the anti frost mat in the bottom of your freezer or freezer compartment of your fridge
Frost and ice builds up on the mat instead of the freezer. The non stick liner can then be easily removed, wiped clean and placed back in freezer.
Puts an end to time consuming drudgery of manual de-frosting
No frost means no blockages in freezer drainage tubes
Saves on energy: - Frost and ice not only reduces the room available for food, but also means that the fridge has to work harder and is therefore more expensive to run
Easily removed to wipe clean
Twin pack
