## BORDY M CLEAR

Ref. 81590134

Break the routine! And simply wind down for a couple of days. This summer plant lovers will find an easy answer to the question “And who will take care of the plants when I’m gone?”. The cute watering devices, Bördy ensure that there’s sufficient water in the plant pots.

Help may be available from a nice neighbour or from these charming watering accessories in the shape of birds or frogs, ideal for indoor or outdoor use. Birdy gets the ‘work’ done with an easy to fill body, while the clay point, which is placed into the soil, slowly releases water to the plants over time. Watering isn’t necessary as often, taking away one chore that might prevent you from taking a long weekend by the sea, in the mountains or a city break.

Award-winning design for Bördy, a German product testing institute (“Stiftung Warentest”, edition 06/2017) also selected Bördy XL as best product on all counts within its category. From now on Bördy is also available up to an XXL size with a capacity of 1000ml, supplying plants reliably with water for up to 15 days.
