NATURAL PEARL BRACELET WITH WATER OF LOURDES

Ref. 73129133

Handcrafted jewelry to wear on the wrist from lithotherapy (care by stones). It is composed of natural pearls: pearls of Rose Quartz and Rock Crystal and also bathed in a box filled with water from Lourdes.
The benefits of this bracelet are multiple:
Linked to the heart chakra, the Pink Quartz stone is reputed to be a consoler. It heals both physical and emotional wounds. Its contact would reassure, soothe and strengthen self-confidence and feelings of love and would provide protection from overexposure to various waves.
Rock crystal can be used in association with all colored stones because it can adorn itself with their properties. Endowed with a powerful energy, it would soothe the nervous system and provide excellent protection and deep revitalization.
The water of Lourdes present inside the case allows to cleanse the bracelet of all electromagnetic waves and to purify it but also to convey positive emotions such as protection, serenity or healing.
