LIQUID HEAVY DUTY SOAP - 500 ML

Ref. 73396133

Let yourself be carried away by this ecological, natural soap, cooked in a cauldron, made only with noble vegetable oils and Lourdes water. This 500ml liquid hand soap is made using the traditional "Marseille" saponification method, in which pure vegetable oils are saponified in a cauldron, thus naturally producing soap and a high quantity of moisturising glycerine. With a minimalist composition, essentially organic copra and organic olive oils, the Lourdes Liquid Soap will sublimate all types of skin. Particularly recommended for sensitive skin, this soap is free of palm oil, preservatives, perfumes, colouring agents and allergens, animal fats, colourings and synthetic surfactants. Its texture and colour qualify it as "Extra Pure". The presence of Lourdes water provides a quantum and holistic synergy with the organic active ingredients, enhancing this soap and making it authentic and unique. This is a liquid hand soap. But given the quality of the ingredients, there is nothing to prevent it from being used for the body.
Specifications: Colour: Light yellow. Odour: characteristic. Appearance: smooth liquid. Shelf life before opening: 30 months.
